## Jesus by the Sea of Tiberias

One night, 7 of the disciples went fishing. What did they catch?

Write the letter that is missing from the 2 words on each fish. Unscramble and read the resulting 7-letter answer.

In the morning, an amazing thing happened.

In the story, find 14 words that don't make sense or seem out of place. Replace them with words from the list that have only 1 letter different.

boat	knew	<del>man</del>	no	told
fish	large	must	shore	torn
haul	Lord	net	side	

man

A ~~map~~ standing on the shore called out,

asking if they had caught any fish. "So," they

answered. He told them to throw their net on

the right side of the boat. When they did, they

were unable to pull it in because it was so

heavy with fish – 153 large ones! Yet the net

was not torn. Then the disciples knew the

man must be the Lord Jesus.

When the disciples landed the boat, Jesus had breakfast ready for them.

Find what Jesus had prepared for them to eat. Write the letter that is in the first word but not in the second word of each pair.
